Boys' State Leadership Program Objectives

To develop civic leadership and pride in American citizenship.

The American Legion hopes that each young man attending Boys State will return to his community a better citizen and display his willingness to make greater civic contributions.

To develop a keen interest in government.

To develop in the young citizens of Boys State a full understanding of our American traditions and belief in the United States of America.

The American Legion Boys State teaches citizens the glorious traditions of this country!

To develop in the young citizens a determination to maintain our form of government

The final two objectives come from the Preamble to the Constitution of The American Legion:

"To inculcate a sense of individual obligation to the community, state and nation . . .

"To safeguard and transmit to posterity the principles of justice, freedom and democracy . . ."

Selection of Citizens

In the actual selection of Boys State citizens, merit and ability alone are the basis for selection. Boys State is not a program for underprivileged boys nor is it a summer camp for recreation. American Legion Posts or other community-minded organizations often pay fees, or "tuition," with little to no expense to the young men.

We wish to secure equal delegate representation from all areas of the State of Connecticut. Therefore, the Department Boys State Commission asks for **one or more boy(s) from each accredited high school** (public or private) to be nominated by the school to attend.

Characteristics of the "Ideal" Connecticut Boys Stater

To be selected for nomination or appointment as a Connecticut Boys State delegate, the candidate must demonstrate:

- Strong academic performance (e.g., a quick study) to thrive in this fast moving program
- Excellent Interpersonal skills (e.g., gets along very well with others from all backgrounds)
- Exhibited leadership (e.g., a leader of leaders) Solid Oratorical skills (e.g., a persuasive speaker and confidence shown in group settings)

Nominating A Delegate to the Program

The American Legion believes our American government can survive only with an educated populace. By teaching youth to understand and appreciate our democratic republic, America can remain strong and ensure our freedom for future generations.

High school officials (administrators, faculty members, coaches, fine arts teachers, and/or counselors) may nominate qualified students meeting the eligibility requirements and selection criteria.
